

RYA Day Skipper	
Summary Suitable for sailors and motor boaters, this introductory course will give you the skills to navigate around familiar waters by day - expanding your knowledge of seamanship, navigation, and meteorology. You will find out more about nautical terms, rope and anchor work, safety, international regulations, navigation and compass-work, and chart-work. This course is for sailors and motor boaters who are looking at embarking on difficult passages, for example, offshore and/or at night. This course is also a must for anyone wishing to take a RYA Coastal Skipper or Yachtmaster Offshore practical exam.
