

## A-Level Classical Civilisation Part 2

### Summary

This course is the follow-up to Part 1, and continues to invite you to uncover the stories, ideas and legacies of the ancient world - a unique blend of literature, history and culture. You will explore a wide range of topics including Greek democracy, Roman politics, epic poetry, classical philosophy and ancient art. With this qualification, you can develop a rich understanding of how classical societies continue to shape modern values, governments and worldviews. The course not only deepens historical and cultural knowledge but also strengthens skills in analysis, interpretation and critical thinking.

*PET offers A-levels in two parts. Upon completing Part 1 of this A-Level, you will not be able to take an AS exam, so if you want a qualification you will need to continue to Part 2 to build up to a full A-level.*

*You will need to apply for each part separately. You can start an A-level at any time of the year, but exams usually take place in June. Before making your application, please speak to PET or your education department to find out if your prison can hold A-level exams as many cannot facilitate this. Alternatively, you might be able to take the exams on Release on Temporary Licence (ROTL) or after your release - we will be happy to advise you further on this.*
