

CACHE Award in Health and Social Care

Summary

This qualification covers the key elements of development and significant events across the human lifespan. You will expand your knowledge of equality, diversity and rights in the sector and how you can work in an inclusive way. You will learn how to safeguard people in your care and discover the signs, symptoms and behaviours that may indicate that someone is at risk. You will also find out the legislation, policies and procedures that can help you take action.
